

Catalogue

Stay secure and compliant with pre-packaged and pre-tested application packages

The Apptimized Catalogue gives you instant access to the latest versions of the world's most widespread applications – created with Apptimized's high quality standards. The Catalogue contains application packages in the most commonly used formats such as EXE, MSI, MSIX, Intunewin and App-V. Catalogue packages are available for download after a maximum of 2 working days after ordering.

The following software is currently included in the Catalogue

Vendor	Software
